Lesson 六 Notes

These notes follow no particular order, since they follow the things as they come up in the lesson.

Writing Chinese characters

When writing character, and learning to write, be sure not to let parts stick out where they do not belong.

Some fonts might display characters in a different way, this may account for characters looking different *while being the same*.

Using 谁 in a question

The usual way to use 谁 is to put it at the end of a sentence, although it can be used at the front. This is not standard though, and denotes a certain emphasis.

陆老师是谁？ vs 谁是陆老师？
